

Quality. Service. Value.®

California Water Service

Overview

California Water Service (Cal Water) serves about 2 million Californians in more than 110 communities, from Chico in the north to the Palos Verdes Peninsula in the south, including residents and businesses in **Assembly District 23**. We are the second-largest retail water provider in the state, and the largest regulated by the California Public Utilities Commission.

We believe everyone should have access to water that is safe, clean, reliable, and affordable. Providing this for our customers requires a proactive commitment to infrastructure investment, water quality, conservation, community safety, and equity.

We are Industry Leaders in:

- **Water Quality:** Our drinking water is among the safest in the nation.
- **Proactive Investment in Infrastructure:** We prioritize upgrades to keep water safe and reliable.
- **Conservation & Sustainability:** We help customers save water while securing new supplies for the future.
- **Low-Income Assistance:** We were among the first to provide bill assistance for low-income customers.
- **Community Safety & Partnerships:** Our partnerships improve community safety and quality of life.

Cal Water Infrastructure By the Numbers

7,900 miles of water pipes

50,000+ hydrants

1,135 wells

2,010+ sampling stations

681 storage tanks

6 surface water treatment plants

155,000+ valves

More than **\$1 billion** invested in infrastructure projects over the past four years to ensure the continued safety and reliability of your water system

Service Areas

We provide more than 80 billion gallons of water annually to 110+ communities across California

Quality. Service. Value.®

Cal Water in Assembly District 23

Local Service with Statewide Support

Investing in Infrastructure

Building and maintaining infrastructure is critical to delivering safe, reliable water service to our customers.

That's why Cal Water has invested more in infrastructure maintenance and upgrades in the last decade than any other regulated water provider in California.

Community Safety & Partnerships

We are passionate about investing in the communities we serve and improving the quality of life for our customers. In 2022, Cal Water:

- Donated **\$1.5M+** to community organizations and customers in our service districts and beyond
- Granted **\$185k** to **7** fire departments to help pay for life-saving equipment
- Awarded **\$80k** in scholarships to **12** students

“Cal Water has been a great supporter of the Boys and Girls Clubs for as long as I can remember. Their commitment to this community is authentic, and I can't think of a better company to have partnered with than Cal Water.”

Ron Johnson, CEO Boys & Girls Clubs of Monterey County

Assembly District 23 is served by

- Cal Water's Bear Gulch District
- Cal Water's Los Altos District
- Cal Water's Bayshore District

To support the **83,448** customers we serve in the district, here's how our water gets to our communities:

- 2,766,358** feet of pipe
- 3,676** fire hydrants
- 11,397** valves
- 93** water tanks
- 13** wells
- 147** water pumps

Cal Water's Policy Priorities

Cal Water's advocacy efforts in the state legislature and regulatory arena are focused on the challenges and opportunities facing water providers and customers. We are advancing policy solutions to improve transparency and affordability for water customers, efforts to invest in critical water infrastructure, and improvements to water quality standards and testing.

In 2022, we supported SB 1469, which promotes water conservation and affordability, especially for low-income customers.
